Church Planting

CATCH THE VISION TOURS 2017

A **CATCH THE VISION (CTV) TOUR** is a two-night experience where SBC pastors and key leaders from your church travel to North or South Dakota and are hosted by our church-based church planting catalyst to see where God is working and how you can be involved.

Explore the region in-person to gain a greater understanding of what it means to plant churches in the Dakotas.

Meet church planters and experience their ministry first-hand while considering potential partnerships.
