PRAY

- For continued spiritual growth in our core group and additions to our body.
- For God to continue to bless our community engagement and connect us with people through those events that need discipleship.
- For God to sustain us as we faithfully serve Him and the calling He has put on our lives.

SERVE

- We need a children's ministry leader to help grow that area of our church.
- Sponsorship partners to help us as we minister to the needy in our community as well as in our body.
- We need help replacing one of our mini split units in our building.
- Please email us to find out more specific areas in which you can help.
