Emmanuel Cowboy Church

Brookland, AR

PRAY

- for endurance, physical, and spiritual health for my family and the leadership team .
- that we find a bigger, more functional building for needed seating room as well as classroom spaces for children's learning.
- for the harvest in accordance with Luke 10:2
- that we will be a church community walking in obedience.

SERVE

- We are seeking and inviting prayer & financial partners and other partners who are interested in helping with this ministry and/or who are interested in learning more about how they can plant a ministry like Emmanuel Cowboy Church with bare minimum resources into an environment that only knows the words "church building."
