 **Missions**
ARKANSAS BAPTISTS

PRAY

- for our Inner City Residency to multiply leaders and grow in participants.
- for protection of our physical facility since crimes of robberies and murder have increased in the area.
- for an increase in traffic for TOUCH, our thrift store, in order to be able to serve more transient residents.
- for more laborers to catch the vision of Impact and surrender to the Lord to serve physically and financially.

SERVE

- Recommend participants for the Inner City Residency.
- Serve by bringing and organizing donations of clothes, shoes, and furniture to TOUCH, our thrift store.
- Use construction skills to help with inside and outside building projects: hanging outdoor security spotlights, replacing and/or installing ceiling tiles, yard and dirt work year round, painting inside & outside, fence repairs.
- Sow financially for monthly stipends for thrift store workers.
